

EMBO Practical Course

The programme for this event was reviewed and approved by the EMBO Course Committee.

Biomolecular interaction analysis From molecules to cells

24 – 28 November 2014 | Porto, Portugal

ORGANIZER

FREDERICO SILVA

IBMC – University of Porto, PT

CO-ORGANIZERS

PAULA SAMPAIO

IBMC – University of Porto, PT

MARGARIDA BASTOS

Faculty of Science – University of Porto, PT

ADRIÁN VELÁZQUEZ CAMPOY

BIFI, University of Zaragoza, ES

AMMASI PERIASAMY

University of Virginia, US

NICO J. DE MOL

Utrecht University, NL

CONTACT

RITA MATOS

Rita.Matos@ibmc.up.pt

SPEAKERS

António Alcami

CSIC- Universidad Autónoma de Madrid, ES

Arne Schon

Johns Hopkins University, US

Bruno Almeida

IBMC – University of Porto, PT

Dieter Braun

Ludwig Maximilians University, DE

Gregor Anderluh

University of Ljubljana, SI

Hileia Sousa

University of Porto, PT

Malte Wachsmuth

European Molecular Biology Laboratory, DE

Marc Tramier

Université de Rennes, FR

Marco Marenchino

GE Healthcare, DE

Marta Taulés

University of Barcelona, ES

Moreno Zamai

San Raffaele Hospital - Research Institute, IT

Nina Schlinck

NanoTemper Technologies GmbH, DE

Stefan Duhr

NanoTemper Technologies GmbH, DE

Valeria Caiolfa

CNIC, ES

REGISTRATION

Deadline before

15 JUNE 2014

Student	300 EUR
Academic	400 EUR
Industry	1000 EUR

Includes:

- Accommodation
- Meals and coffee breaks
- Social events and transfer to and from social events
- Course material and reagents
