

**IBMC**

INSTITUTO DE BIOLOGIA MOLECULAR E CELULAR  
INSTITUTE FOR MOLECULAR AND CELL BIOLOGY

### Declaration of Interest of Medical/Clinical Geneticist

CGPP, the Centre for Predictive and Preventive Genetics ([www.cgpp.eu](http://www.cgpp.eu)) of the Institute for Molecular and Cell Biology (IBMC, [www.ibmc.up.pt](http://www.ibmc.up.pt)) and of the Instituto de Investigação e Inovação em Saúde (I3s, [www.i3s.up.pt](http://www.i3s.up.pt)), at University of Porto, welcomes declarations of interest from fully licensed **Medical Geneticists** to collaborate with us either **part or fulltime**.

The following skills and competences are highly desirable:

- (1) independently perform consultations of genetic counselling in a variety of contexts, including for presymptomatic testing in late-onset neurological diseases, preconception counseling and prenatal diagnosis;
- (2) diagnose, manage and follow of a wide spectrum of hereditary diseases and congenital anomalies, including dysmorphic syndromes, both at childhood and in the adult;
- (3) closely cooperate with the laboratory staff of our molecular genetics laboratory, in directing the study, interpreting and validating genetic test results, including from NGS multigene panels and full exomes and genomes

Applications are permanently accepted and should include (1) updated CV, (2) letter of intention and must be submitted on the IBMC webpage: <http://www.ibmc.up.pt/gestaocandidaturas/index.php?codigo=CGPPMD2017>

Preselected candidates will be called for a personal interview.
